Rombat Martial Arts

Kombat Martial Arts is a workout program that combines the energy of an aerobics class with practical, realistic self-defense. This hard-hitting action packed program is designed to teach men and women strong and solid self-defense moves while getting them into the best shape of their lives. The techniques being taught are an offshoot of the Israeli Military self-defense system. They are quick and easy to learn and retain. Classes are geared for adults ages 16 and up.
